

## Hunter/Jumping Event *at Fox Lea Farm*

### What is a HUNTER/JUMPER SHOW?

At "rated" HUNTER/JUMPER shows the horse/riders compete both jumping and on the flat. Many of the jumping classes are at a high caliber with both pros and amateurs alike vying for large money prizes in these timed events. Grand Prixes are the showcased event of the show with fences nearing five feet tall and six feet wide. Also nationally ranked hunter classes are held where the horse/rider are judged on their style and grace jumping over the fences. Horse and rider must be members of both USEF (United States Equestrian Federation) and USHJA (United States Hunter Jumper Association). Both organizations operate under the world Olympic association umbrella.
